# News and Updates on the Fort River

September 2022

## Registration Now Open - 4th Annual Fort River Cleanup

Registration is now open for this year's 4th Annual Fort River Cleanup, part of the Connecticut River Conservancy's 26th Annual Source to Sea Cleanup, happening Saturday, September 24, 2022!

We are thrilled to invite you to join us on September 24 for the 4th Annual Fort River Cleanup, part of CRC's Source to Sea Cleanup! We welcome all ages and abilities to join in for a morning of cleaning up all over the Fort River watershed!

This year's cleanup will be in-person, masks optional at this time. As with previous years, all volunteers will be required to register for this year's cleanup and each participant will need to [complete a registration form](#) - including kids. This step is particularly important, as it offers us the information we need to contact all volunteers in case of a change or emergency before or after the event.

Here are some details on moving through this year's online registration:

[Register for the Fort River Cleanup 2021 here!](#)

Would you like to invite family, friends, colleagues, fellow students, or neighbors? We would really appreciate your help in getting the word out!

**[Here is a printable flyer for this year's cleanup](#)**

**[Here's a sharable graphic to post to social media about this year's cleanup](#)**

Once you've registered, please plan to join us at 9AM at Groff Park for a quick roundup and safety talk, to get your cleanup t-shirt and supplies, and to select a cleanup site to tackle with your neighbors!

We will be keeping a close eye on what is happening with COVID and ready to pivot if necessary to keep our community safe. Please know that every effort will be made to make sure you are safe, comfortable, and able to joyfully contribute your time to this meaningful effort in the watershed!

*Still have questions about this year's cleanup?*

*Interested in being part of the planning team for this year's cleanup? We can use help and hands of all kinds, sizes, and abilities and we would love to work with you!*

Email us at [fortriverwatershed@gmail.com](mailto:fortriverwatershed@gmail.com) - we'll get you connected with our cleanup team!
